ABOUT THE CONCLAVE / WORKSHOP

The 'National Safety Conclave / Workshop' previously known as 'Odisha State Safety Conclave / Workshop' was instituted in year 2009 under the aegis of Institute of Quality & Environment Management Services (IQEMS). The focus and purpose of it is to sensitize all stake holders on the prime importance of workmen safety & workplace safety at all time in all sectors, whether organised or unorganised. Efforts are being made to assemble an appropriate exhibition to display innovative products and services which will help creative minds to do some divergent thinking. Our aim is to provide a platform to raise awareness, deliberate and share knowledge, experiences and best practices on issues related to Safety and Health in Industries, Mining, Construction and other sectors.

SPEAKERS AT THE WORKSHOP

A two day Technical Workshop is held each year. Eminent and distinguished professionals as well as notable academicians of National / International repute from both private & Government Sectors and Industries will address on various Subject / themes of the Conclave / Workshop. The Conclave/ Workshop would be providing an interactive environment for useful & valuable discussions.
