

A Summit of Sustainability, Innovation, and National Recognition

The 11th Edition of the Kalinga Excellence Awards & National
Conclave on Environment, Energy & Climate Change (EECC).

June 20, 2026 | Bhubaneswar, India

An Executive Invitation for Corporate Leaders and Sustainability Pioneers.

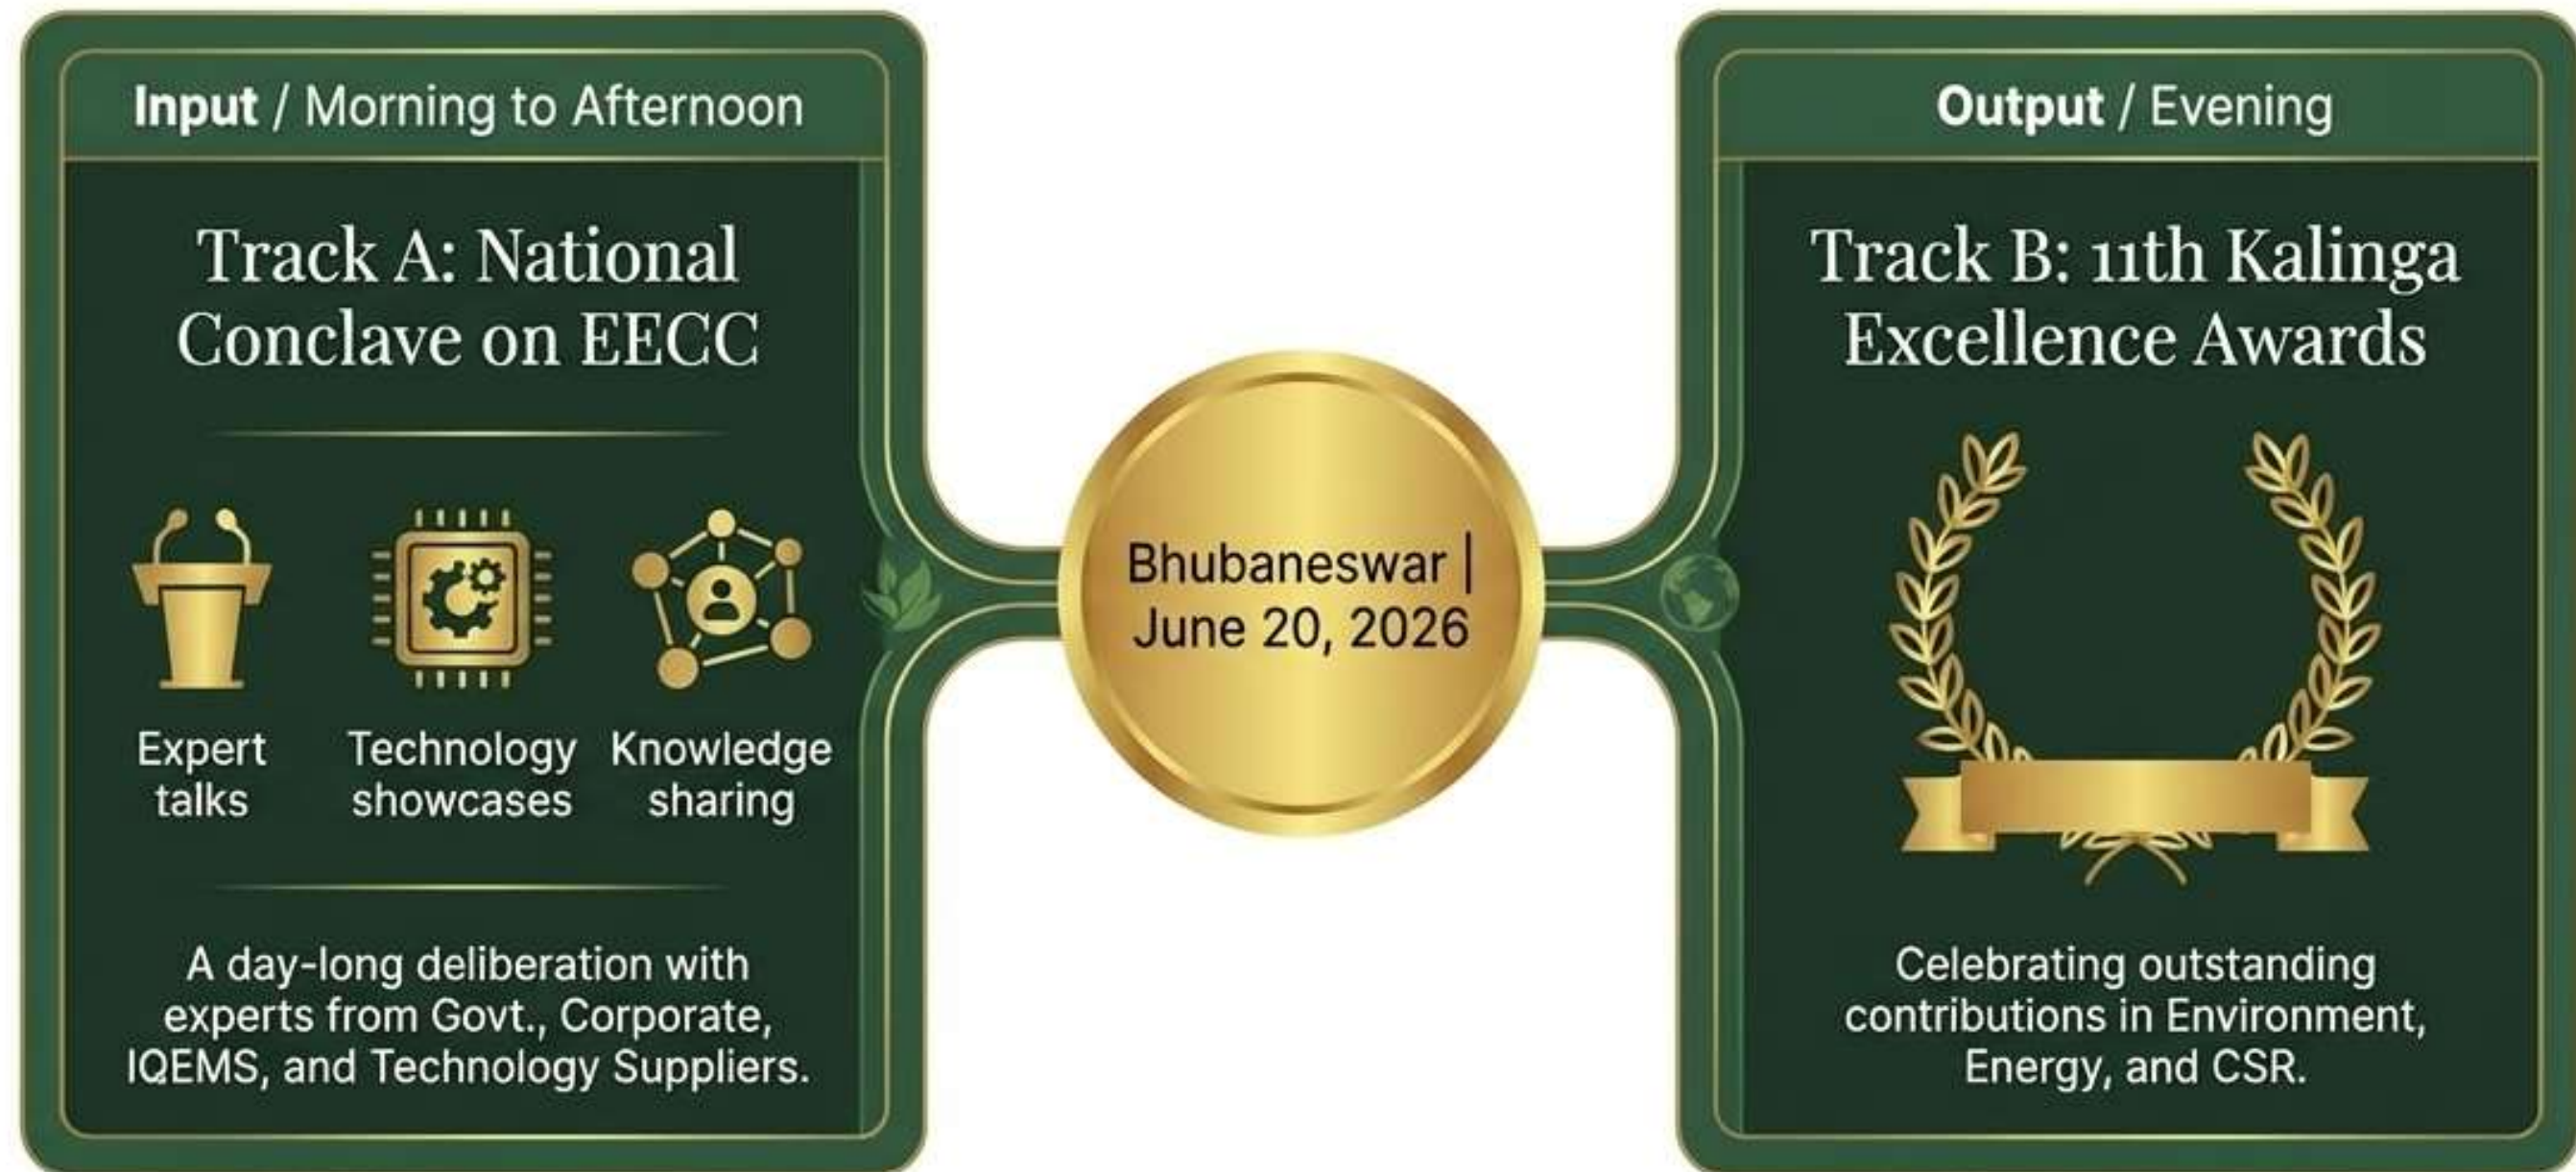

Navigating the Dual Pressures of Growth and Sustainability

The Environmental Stress Funnel

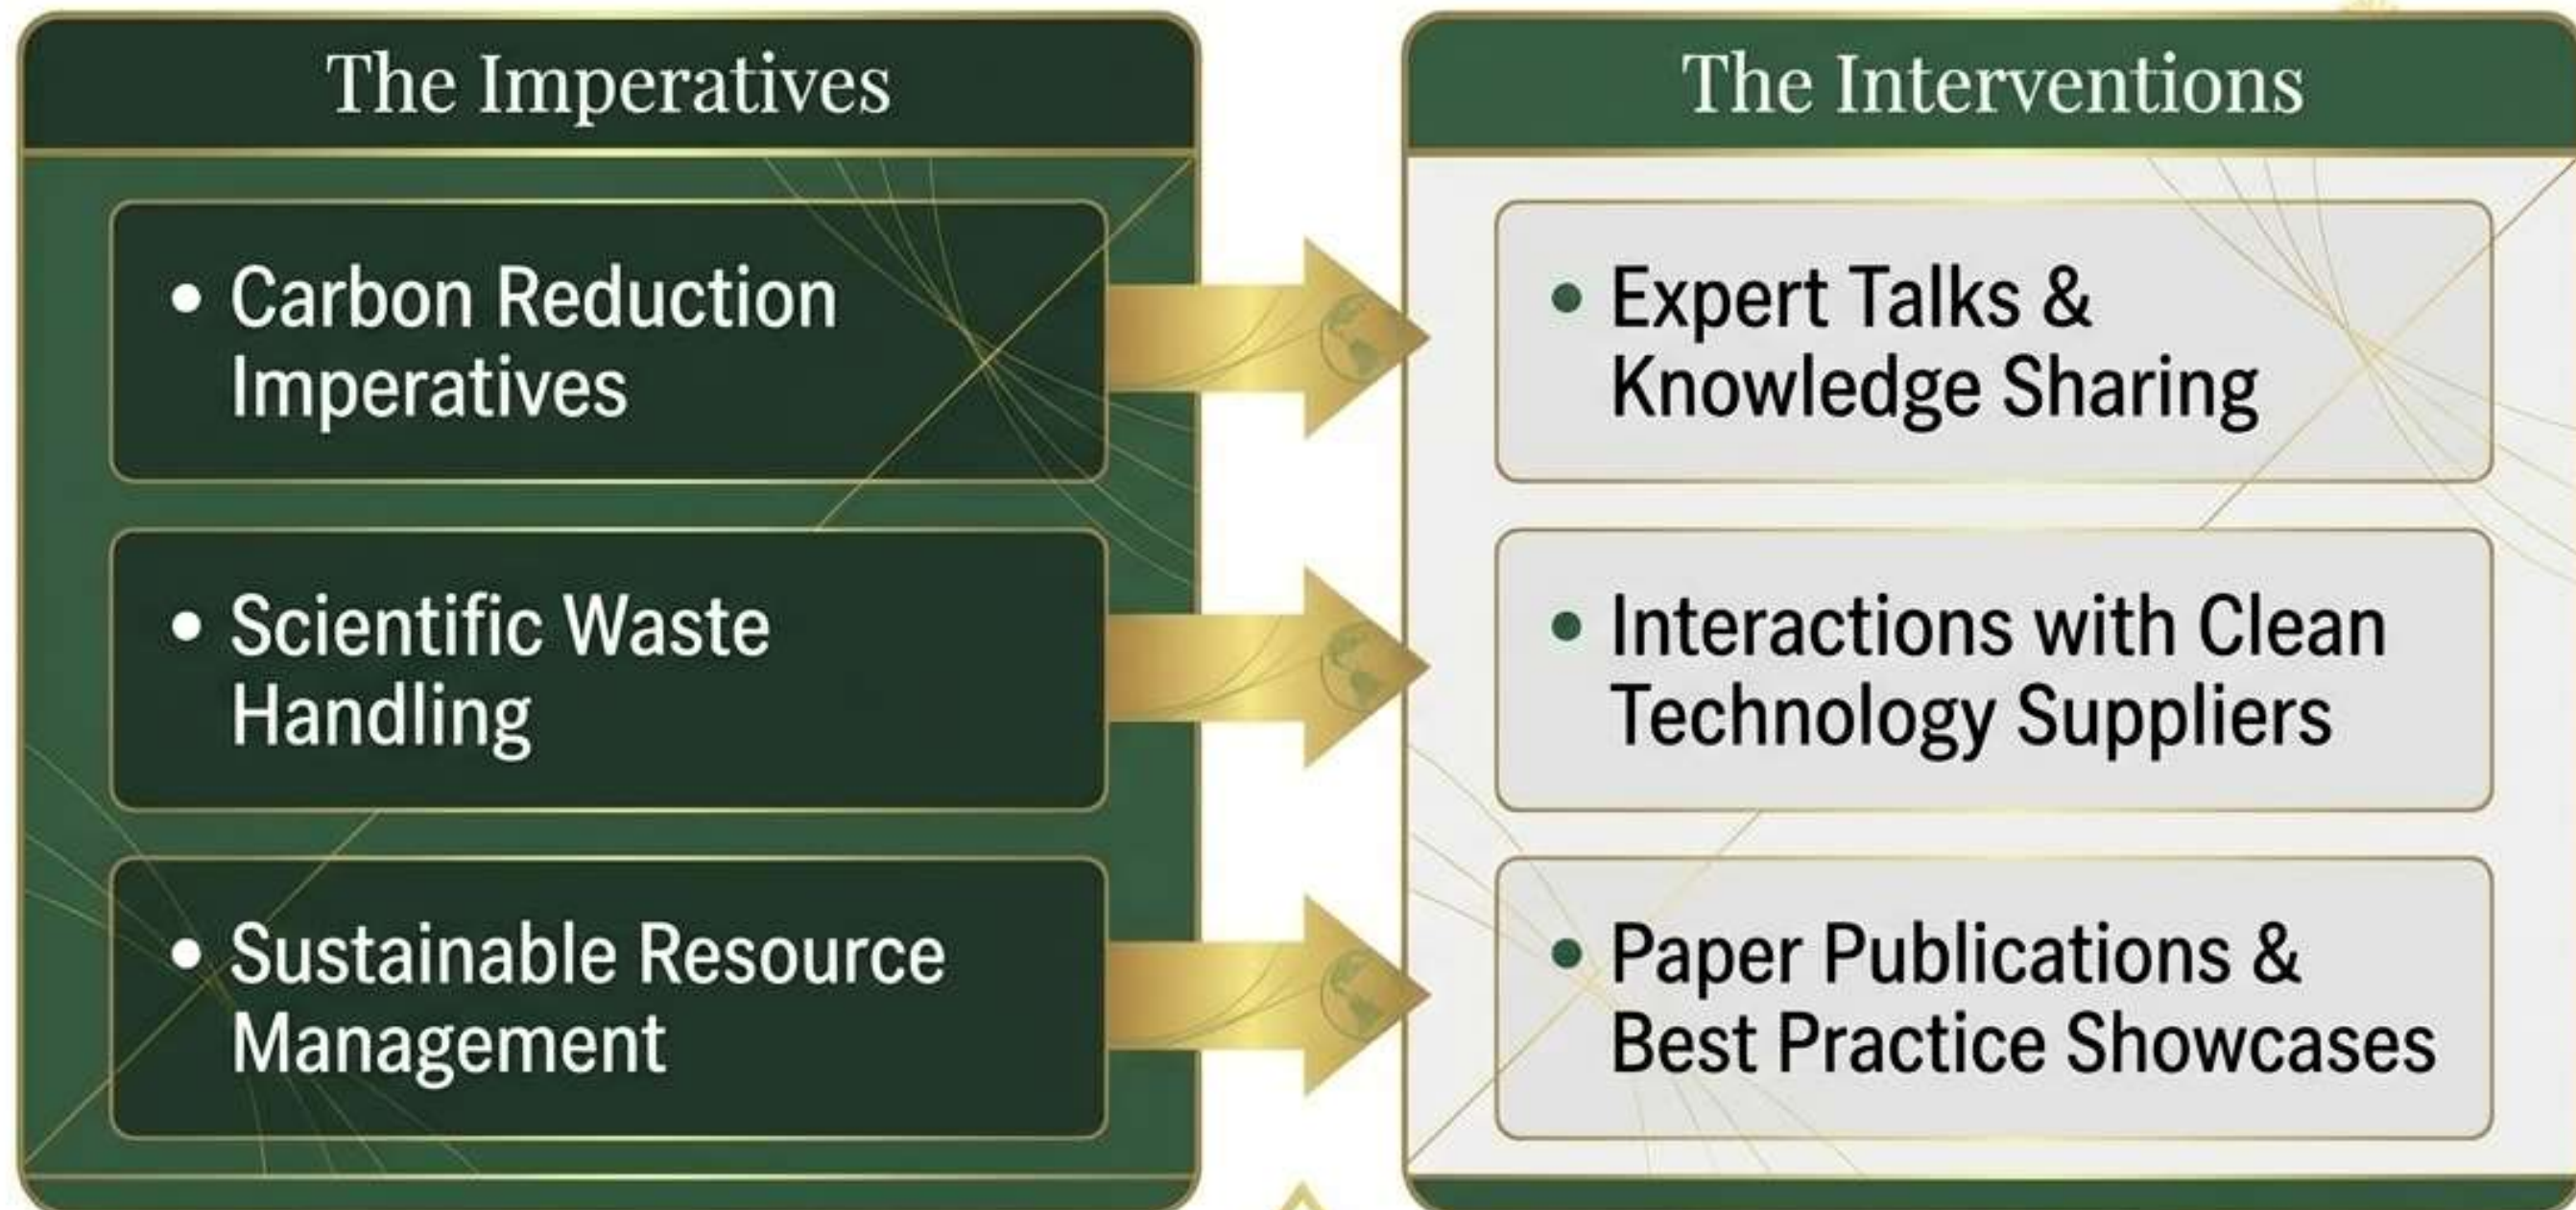

Securing the proactive participation of businesses is of paramount importance. Addressing these issues through sustainable resource management and scientific waste handling is critical to achieving balanced growth.

One Day. Two Pathways to Corporate Advancement.

An integrated platform designed to enrich senior executive subject knowledge while simultaneously providing a national stage for showcasing proven corporate best practices.

Track A: Deliberation and Innovation at the National Conclave

Corporate leaders must take advantage and **nominate Senior Executives** to enrich their subject knowledge and sharpen their skills.

Delegate Registration:
₹7,500
(Inclusive of GST)
per delegate.

11th Kalinga Excellence Awards 2025

Prestigious national recognitions instituted by the Institute of Quality & Environment Management Services (IQEMS).

Environment

Energy

CSR/ESG

Nominations are now open for organizations and institutions demonstrating outstanding contributions to balanced growth and long-term sustainability.

The Diagnostic Matrix: Identifying Your Category of Excellence

	Environment Award	Energy Award	CSR Award
Core Focus	Environmental Protection & Conservation.	Sustainable Energy Solutions.	Social Well-being & Upliftment.
Target Actions	Sustainable resource management, pollution control, innovative eco-friendly practices.	Energy efficiency, adoption of renewable/clean tech, reducing carbon footprint.	Community development, inclusive growth, education, and health programmes.

Strategic Participation: Aligning Engagement with Corporate Goals

If your goal is **Up-skilling & Solution Discovery...**

Delegate Registration (Conclave)

- ✓ Interact with tech suppliers
- ✓ Hear from eminent academicians
- ✓ Understand climate-friendly technology adoption

If your goal is **National Benchmarking & Brand Prestige...**

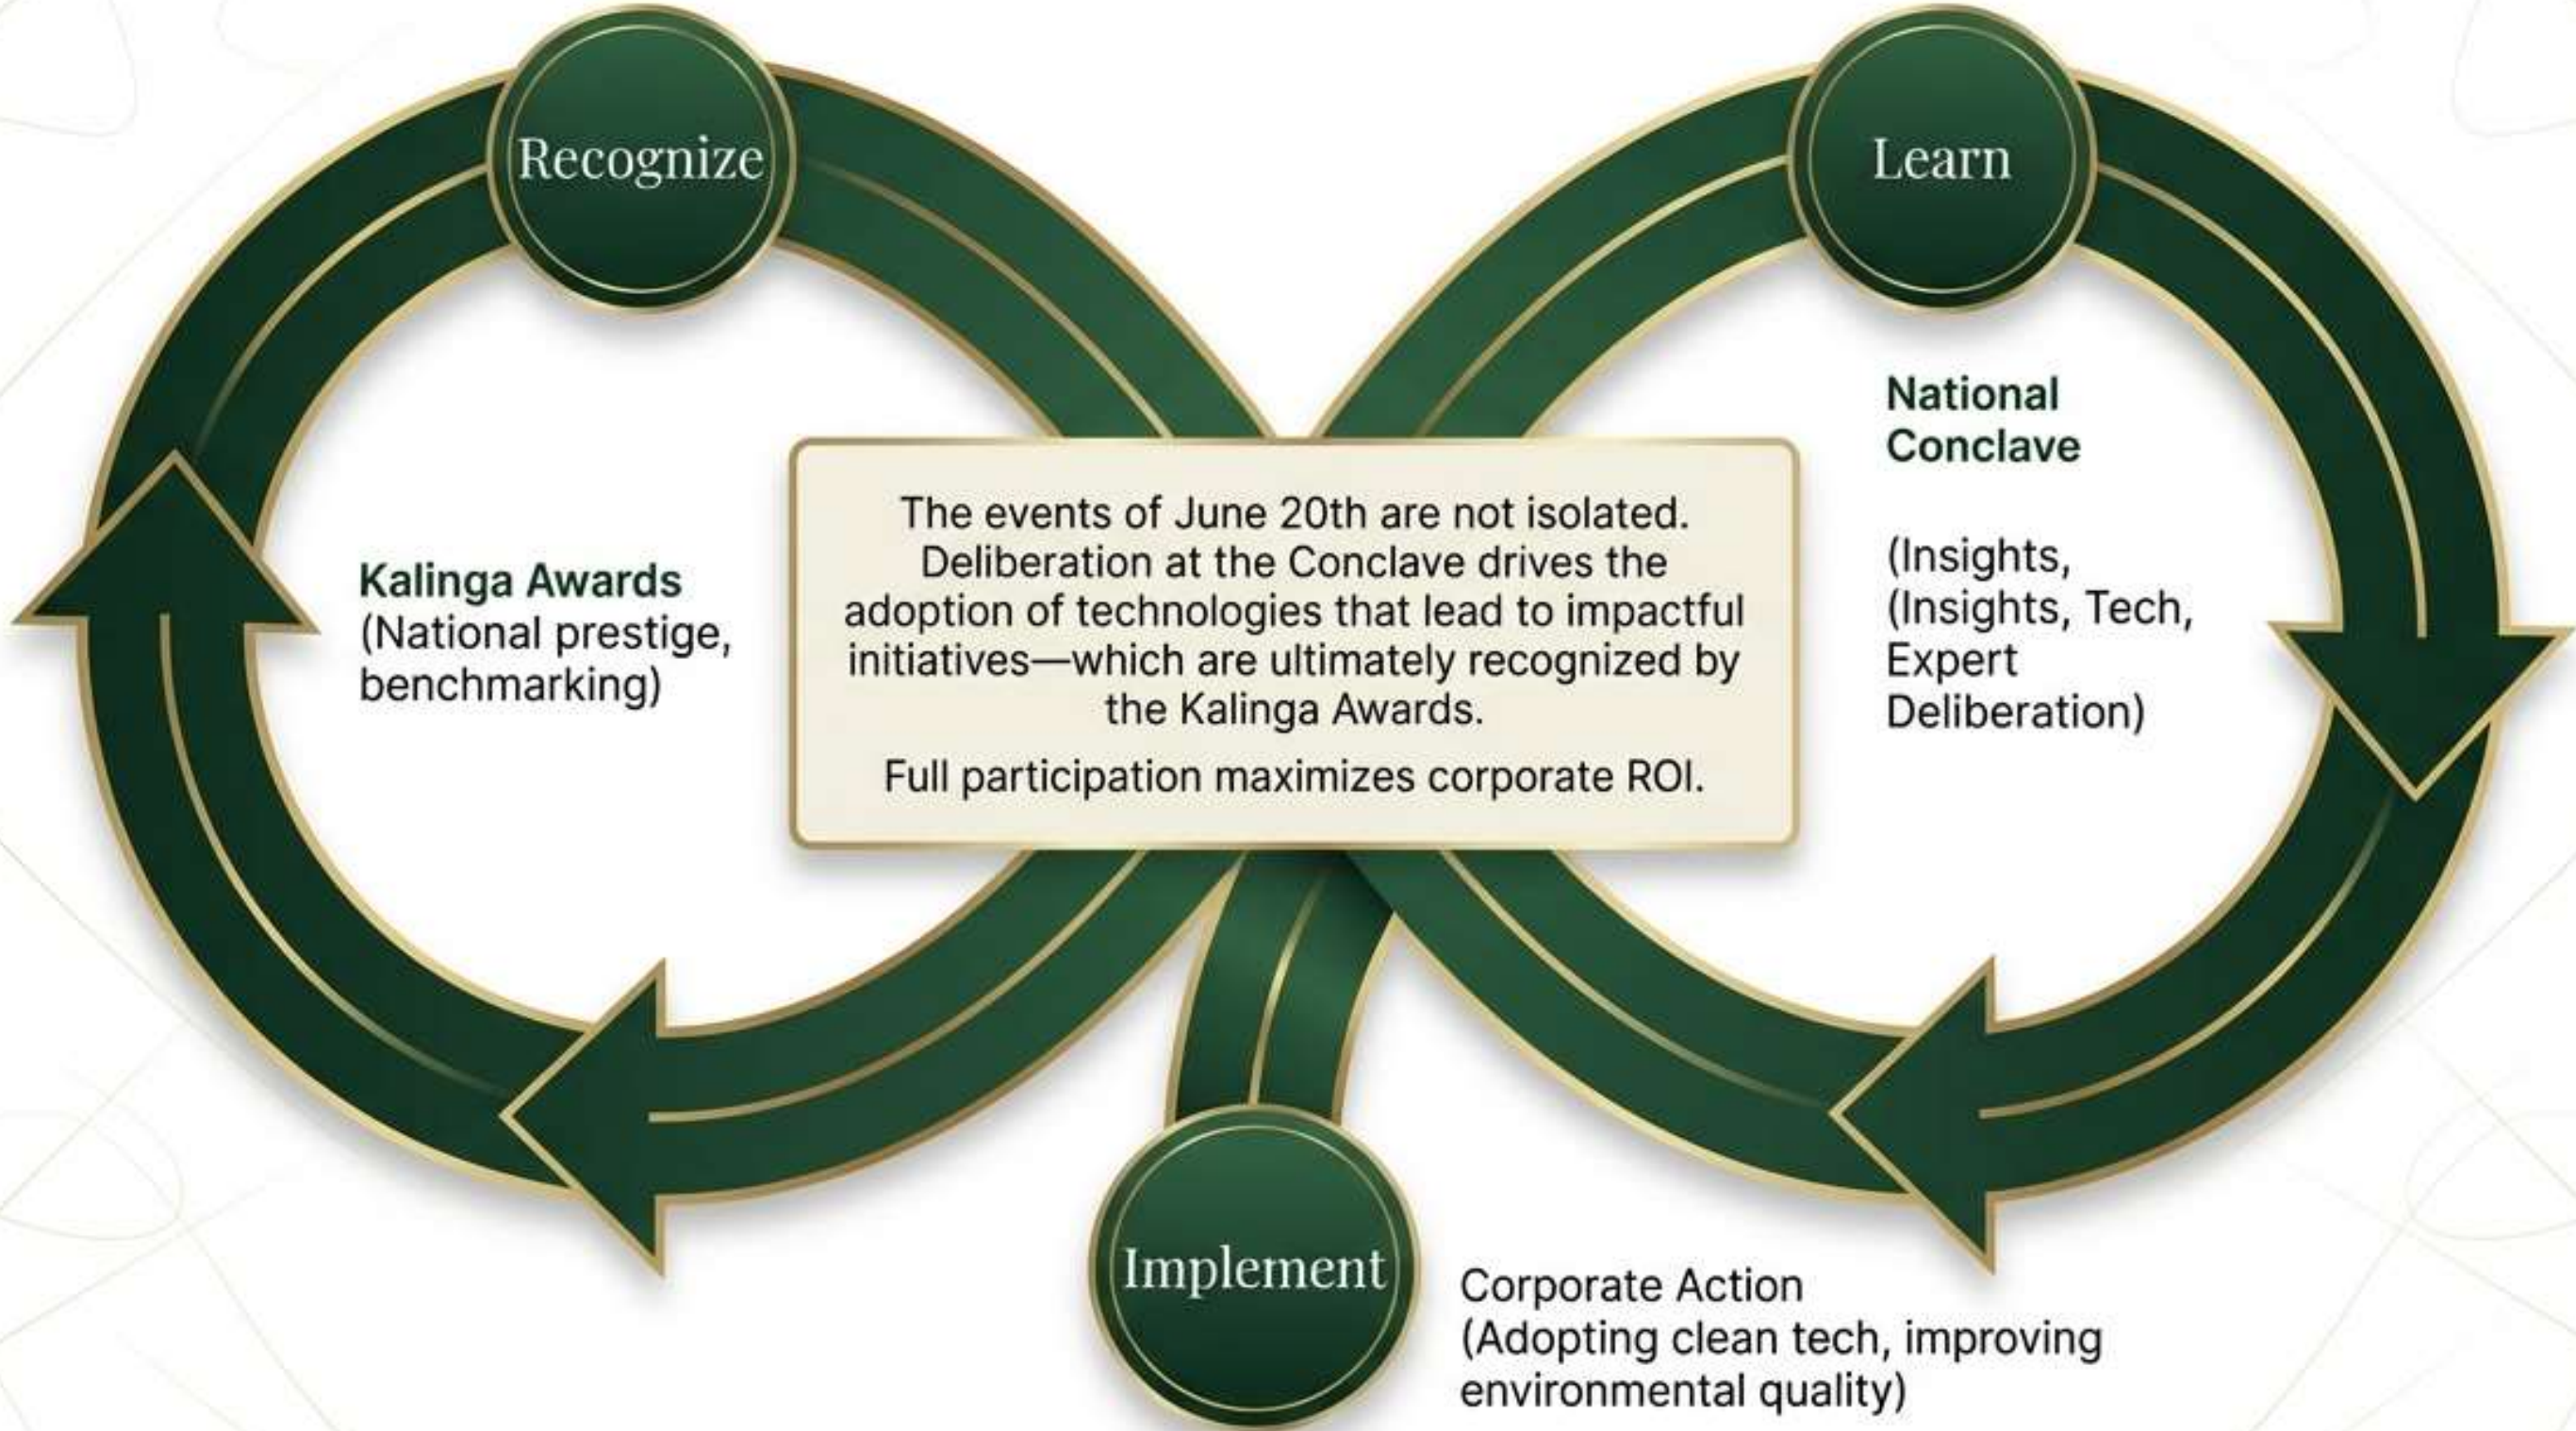

Award Nomination

- ✓ Showcase best practices
- ✓ Gain recognition for impactful CSR/Energy/Environment initiatives
- ✓ Feature in the official souvenir

Pre-Registration and Pre-Payment of participation fees are mandatory for both pathways to secure involvement.
